Washington, D.C. 20505

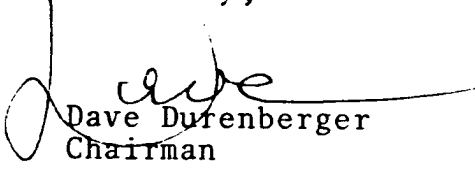

Dear Bill:

STAT As you know, our staffs have successfully completed discussions on supplementary [] reporting procedures. These build on the original reporting procedures agreed to by the Committee and you in June, 1984.

We believe the supplementary procedures will make a valuable contribution to implementation of the requirement under the Intelligence Oversight Act that the Committee be kept fully and currently informed of all intelligence activities, including any significant anticipated intelligence activity. A majority of the members of the Committee have indicated that they support the new procedures.

STAT Accordingly, we have signed the attached supplementary procedures. When you sign this document, we will have completed the review of [] reporting procedures called for in the original procedures.

Sincerely,

Dave Durenberger
Chairman

Patrick Leahy
Vice Chairman
